PROFILE

Full Stack Developer with **8 months of hands-on experience** in designing and implementing dynamic, scalable web applications using the **MERN stack**. Adept in **JavaScript, React.js, Node.js, Express.js**, and **MongoDB**, with a passion for turning complex problems into user-centric digital solutions. Experienced in working in agile teams, building responsive, secure applications, and continuously enhancing my skills.

PROJECTS

UNIVERSITY EDUCATION PORTAL

GitHub link: [Frontend](#) | Deploy link: [University Education Portal](#)

- Developed a modern, responsive University Education Portal for Vedanta Engineering University, featuring a user-friendly interface with sections like Hero, About, Campus gallery and Testimonials.
- Designed and implemented engaging UI elements to enhance user experience and effectively showcase university information.

RESTAURANT MENU APPLICATION

GitHub link: [Frontend](#) | Deploy link: [Restaurant Menu Application](#)

- Developed a modern web application for a fictional restaurant, featuring a categorized menu and a user reviews section to enhance community engagement.
- Implemented responsive design and interactive elements for an optimal user experience across devices.

VIDEO SHARING PLATFORM

GitHub link: [Frontend](#), [Backend](#) | Deploy link: [Video Sharing Platform](#)

- Developed a video-sharing platform using React, Node.js, Express.js, MongoDB, Firebase, and bcrypt for secure user authentication and media storage.
- Created an intuitive UI with seamless video streaming and optimized backend functionality for encrypted data handling.

SKILLS

- Data Structures and Algorithms | JavaScript | React.js | Redux Toolkit | HTML | CSS
- Node.js | Express.js | MongoDB | Mongoose | GitHub | Firebase | RESTful APIs

PROFESSIONAL EXPERIENCE

10x Academy: Full-Stack Development Internship, 8 months

Hyderabad, India

- Mastered the MERN stack with a focus on robust database design and dynamic UI creation.
- Cultivated expertise in building scalable server-side applications for contemporary web solutions.

EDUCATION

- B.Tech in Computer Science and Engineering - ABES Engineering College
- Senior Secondary - Class XII, S I G S Inter College
- Secondary - Class X, Modern Academy Senior Secondary School

Ghaziabad (U.P)

08/2014 – 08/2015

05/2011 – 05/2012

AWARDS

“Code with Fun” Competition: Achieved 1st Place in the Full Stack Developer Bootcamp during Internship Session, Awarded an Echo Dot (3rd Gen) for exceptional performance and innovative problem-solving skills. [Here](#)
